PRESIDENT: Senator Burbach.

SENATOR BURBACH: Mr. President, members of the Legislature, I move for the adoption of the resolution. I think it is self-explanatory. It was in the Journal. This is just an impetuous for the members of the Legislature and state house employees to recognize the importance of our bicentennial year coming up. I think that's all that I have to say about it. There are many people who are dedicated and who are working in this area. They'd like to have a little boost and recognition from this body. I move for the adoption of the resolution.

PRESIDENT: The question is the adoption of this resolution number 102. Record your vote. Have you all voted? Record.
